

Public Service Announcement

Hello Everyone,

We have BIG NEWS to share! As of October 1, 2021, PRIDE Rehabilitation has new ownership! We are excited to release that Gregory Powell, MD, MBA and E. Kano Mayer, MD recently have acquired PRIDE and look forward continuing the legacy that has been delivered for 30+ years.

Gregory Powell, MD, MBA

Co-Owner

"Having worked at PRIDE for the past decade, I've seen the amazing results we have been able to attain through our program and services. The accomplishments of our founders, our staff and our patients stand out in the community and I am proud to become part of their legacy."

E. Kano Mayer, MD

Co-Owner

"I am excited to be a part of PRIDE and their nationally recognized Functional Restoration Program where we have served the community for decades. With PRIDE's legacy and experienced staff we will continue to strive and advocate for each injured worker by helping them return to better function."

Here to Serve

We will continue treating our patients at our flagship rehabilitation location in Dallas, TX

Physician clinics in Dallas, Frisco, and N. Richland Hills

Leadership

Dr. Gregory Powell is now our Chief Medical Officer of PRIDE Rehabilitation in Dallas

Growth and Development

We are striving to be accessible to our patients and community stakeholders with strategic goals in place to develop additional rehabilitation facility and physician clinic locations... STAY TUNED!

Outcomes

PRIDE has decades of positive patient outcomes and has been recognized as the leader and founder of Functional Restoration

At PRIDE we want to continue to be partners and have positive relationships with the community. Please do not hesitate to contact us if you have any questions or needs.

Thank you!
